Staff Recommendation

No action is required on this item at this time.

Background

On June 23, 2011, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, assigned the status of *Accreditation with Probationary Stipulations* to Occidental College and its approved Multiple and Single Subject Preliminary credential program (<http://www.ctc.ca.gov/educator-prep/coa-agendas/2011-06/2011-06-item-16.pdf>).

In accordance with the stipulations placed upon Occidental College in June 2011, Occidental College submitted its initial action plan on July 15, 2011 to address all stipulations. At the October 27, 2011 COA meeting, staff presented an update on the work completed by Occidental College as of September 23, 2011 as well as the results of the revisit that took place October 6-7, 2011 (<http://www.ctc.ca.gov/educator-prep/coa-agendas/2011-10/2011-10-item-09.pdf>). At the February 1-2, 2012 meeting, staff presented a subsequent update as provided by Occidental College in the second quarter (<http://www.ctc.ca.gov/educator-prep/coa-agendas/2012-02/2012-02-item-23.pdf>). At the April 19th meeting, after hearing the third and final quarterly report (<http://www.ctc.ca.gov/educator-prep/coa-agendas/2012-04/2012-04-item-25.pdf>), the Committee on Accreditation requested a final report from the college by June 15th which was shared with the Committee at its June meeting (<http://www.ctc.ca.gov/educator-prep/coa-agendas/2012-06/2012-06-item-22.pdf>). At that time, there was one remaining candidate (from the 2007-08 cohort) working to pass TPA Tasks. The COA asked that at the August meeting, an accounting be provided of the remaining candidate and whether he or she has completed the TPA. That information is provided below.

Next Steps

This completes the reporting requirements for Occidental College. The institution is no longer a Commission approved program sponsor in California for educator preparation. As communicated earlier to the institution, the *Accreditation Handbook* states that any institution withdrawing its programs must wait at least two years from the date in which candidates were no longer admitted to the program to be reaccredited. The date that the institution becomes eligible for reaccreditation is June 23, 2013. If, in the future, the institution decides to pursue initial institutional eligibility, the Commission staff has communicated to institutional leadership that it could provide technical assistance, as appropriate, if requested.
